

**MABAS 24
SPECIAL RESPONSE TEAM**

APPLICATION

To the Chief Officer of the Fire Department:

The applicant will have provided you with a copy of the guidelines for the MABAS 24 Special Response Team. Your role is as important as that of the applicant(s). Your review of this application, and your signature, indicates your understanding and acceptance of the impact created by the applicant's participation, if approved, as a Team Member of MABAS 24 Special Response Team. Procedures to activate the member for an incident, possible response in a department vehicle(s), use of approved department issued turnout gear. Use, if available, of SCBA and spare cylinder provided by the applicant's home department, possible time constraints concerning discussion/training meetings, and the time these aspects into consideration during the applicants process.

To the Applicant:

Participating in the MABAS 24 Special Response Team will affect you in many ways. The Fire Service and EMS have always realized the need and value of continuing training and education in maintaining proficiency and MABAS 24 Special Response Team operations are no different. The greatest impact will be on your time and availability to your home life, your department, and to any outside pursuits you enjoy. The decision to apply for MABAS 24 Special Response Team membership should involve discussion with your chief officer, spouse, parents and/or guardian, etc.

To the Chief Officer and the Applicant:

The MABAS 24 SRT makes every attempt to meet NFPA standards 471, 472, 473, 1610, 1983, 1006, 1953 along with OSHA 29 CFR 1910.120 and 29CFR 1910.146 guidelines as required. It is the home department's responsibility to insure that their representing team member(s) meet the requirements of those standards and code. The MABAS 24 SRT provides regular training. It is the responsibility of the individuals department to provide the member with the various hazmat certifications and physicals as required.
